

Prince Khand Thakuri

Electrical Installer & Technician

+358 45 311 1823 | princekhand09@gmail.com | Vantaa, Finland

PROFILE

Electrical installer and technician with 5+ months of hands-on experience in solar PV and EV charging installation. SFS 6002 certified. Enjoys physical, on-site work: ladders, wiring, tools, troubleshooting. Looking for a role with opportunities to work independently (outdoors and indoors) and grow toward full electrician qualification.

EXPERIENCE

Electrical Installation Trainee / Technician

Lahi-Lataus Oy · Vantaa, Finland
